Virtus semper clara aeternaque habetur

Virtus quum se ipsam colligit Fortuna non indiget,

Cursius de Quintillo Puero

Quis celerem Puero credat cum corpore nasci
   Cumque atro Puram sanguine obire animam
Quinquennis linguas scit tres Quintillus, et urbes
   Et maria et Stellas balbutit ore vagas
Tam cito quis voces, quis terras discat et orbes
   Is nisi quis superum coetibus adfuerit
Dive Puer per quem Fas nosse est sensibus aegris
   Mentem homini e divum sedibus affluere. 22
